

Readmission

Effective: 06/10/2022

It is Concorde's policy to encourage previously withdrawn students to return to school to complete their education.

Students must meet all entrance requirements in place at the time of readmission. The reentry process requires review and approval of the student's financial status, financial aid eligibility (when applicable), completion of enrollment agreement, collection and review of official transcripts, as well as prior academic performance and any other documentation required by the program the student is reentering. Students may be required to demonstrate skill competency prior to readmission **and may have to repeat a course(s) depending on the results**. Readmission is contingent upon space availability and requires final approval of the Campus President. Returning students will be enrolled into the program curriculum in place at time of reentry. Returning students will be enrolled into the program curriculum in place at time of reentry; exceptions may apply for students who are withdrawn in good standing. Students who are dismissed from the program are not eligible for readmission. Under certain conditions, students may be required to complete and pass a drug screening, at their expense, prior to readmission as outlined in the Drug Screening section of this catalog.

Practical Nursing Readmissions Conditions

Effective: 02/25/2021

In addition to the readmission policy above, students who are withdrawn due to academic failure are eligible to apply for readmission and return upon Campus President approval one time only in the Practical Nursing program and will be unable to re-enter into the program in the event of a second withdrawal for academic failure. The readmission process will include a written examination to evaluate point of readmission into the program. Readmission is contingent upon space availability and requires final approval of the Campus President.
